9" disposable dome

Dome designed exclusively for Aladdin 9" plates.

# Versatile • Sanitary • Stylish • Disposable

Our versatile new 9" high-heat disposable plates and 9" disposable clear dome combine to provide an hardworking, multi-application serving solution that keeps you covered!

## Fully Disposable Solution

Ideal when circumstances prohibit the use of conventional domes, china and other reusable items.

## Boost Holding Time

Up to 45 minutes<sup>1</sup> by pairing the disposable duo with a heated induction base!

## FEATURES

- Shatter-proof and safe for patients in all areas.
- Non-absorbent and puncture-resistant.
- ADL46 dome fits Aladdin 9" plates and induction bases.
- Meets emergency preparedness requirements.
- Sanitary, labor-saving disposable products.
- White color provides an elegant meal presentation.
- Made in the USA

### ADL46

9" high-profile disposable dome

Clear styling for attractive meal presentation.

High-profile design provides menu item flexibility.

Unique edge design fits Aladdin induction bases and A46H high-heat disposable plate.

Tab for easy removal.

DETAILED STYLING

Sales Code	Description	Case Qty.
ADL46	9" Clear disposable dome <sup>2</sup>	240
A46H	9" High-heat disposable plate	400
A46HDV	9" High-heat disposable divided plate	400

<sup>1</sup>When using disposable duo on Advantage<sup>®</sup> Plus system, maintain food temperatures at or above 140°F (60°C) for 45 minutes (other Aladdin induction systems hold times vary). <sup>2</sup>ADL46 Clear dome is not for use over 150°F (66°C).
