RST1A-GR shown here with Radiance dome in Bronze.

FEATURES & BENEFITS

- Available in black or light gray – a great new color option for facilities with hard water!
- Built-in antibacterial protection inhibits the growth of bacteria on the tray\*
- Antibacterial protection lasts the life of the tray and will never wash, wear, or scratch off!
- Spacious 15" x 20" size easily accommodates a complete patient meal.
- Striking modern styling features integrated ergonomic grips.
- Low profile front lip allows for easy dining directly from tray.
- Textured surfaces reduce the appearance of scratching.
- Easily stackable for effortless transport.
- Crafted from high-grade ABS plastic for strength and durability.
- Made in the USA.
