# Heat On Demand Advantage<sup>®</sup>Plus Induction Heating Activator International Model ADV700E

Aladdin's Heat On Demand Advantage<sup>®</sup> Plus induction heating activator revolutionizes kitchen operations, giving you features, performance and efficiencies other meal-delivery systems just can't deliver.

Achieve long hot food holding times with or without a heated plate.<sup>1, 2</sup> Fast 12 second cycle delivers up to 5 trays per minute.

# Heat On Demand Advantage® Plus Benefits

- Hot food for higher patient satisfaction scores.
- Time-tested design and component reliability.
- Less heating equipment for a cooler kitchen.
- Simple operation for greater employee satisfaction.
- Induction technology provides energy savings.

# Performance

- When using a heated plate and Allure<sup>®</sup> insulated dome, Heat On Demand Advantage Plus maintains food temperatures at or above 60°C for 73+ minutes<sup>1</sup>, and for 60+ minutes<sup>2</sup> without using a heated plate.
- Consistent 12-second base heating cycle activates up to 5 bases per minute.
- Uses cool-to-the-touch Advantage bases that fit most standard 23 cm plates.
- No dish heater required for heating plates.<sup>2</sup>

#### Construction

- Durable stainless steel countertop design.
- Solid-state electronic controls for enhanced reliability.
- Robust polymer centering guide for hassle-free base insertion and removal.

# **Standard Features**

- LED status light provides clear visual and audible cycle alerts: white / idle, red / base heating, green / base ready, yellow / error.
- Automatic voltage calibration adjusts for 380 to 440-volt power, so voltage fluctuations will not affect base heating cycle time.
- Error prevention logic eliminates the guesswork for easy operation.
- Automatic power shut-off conserves electricity when not in use.
- Internal fans keep electronics cool during heavy use.
- Base and activator diagnostics.
- Easy to remove washable air filter.

No reading required! The prominent LED status light displays a different vibrant color at every stage, glowing green when bases are ready, to make visual operation easy.

# Sustainability

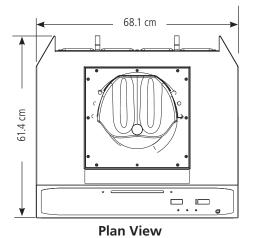

Efficient induction technology provides significant energy savings.

- Energy-efficient induction technology.
- Automatic shut-off conserves electricity when not in use.

# Heat On Demand Advantage® Plus

Induction Heating Activator International Model ADV700E

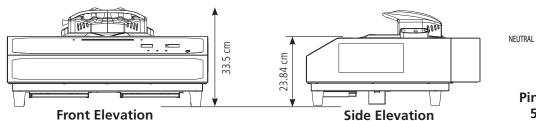

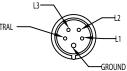

Advantage Plus System

Advantage<sup>®</sup> Plus activators use Advantage bases which accommodate standard 23 cm dishware.
