

Insulated Tableware

Serve your best with Aladdin insulated tableware, the only fully foam insulated tableware products in healthcare meal delivery!

Designed to work in tandem with Aladdin Heat On Demand® and Insul-Max™ meal delivery systems, our stylish insulated tableware products are thoughtfully designed for maximum temperature holding performance, efficient tray assembly, and ergonomic patient use.

Available in a wide selection of modern, on-trend colors, our insulated tableware collection features three distinctive 9" dome options: Radiance®, Essence™, and Allure®, each designed to pair beautifully with our insulated mug and bowls. Serve on an Aladdin room service tray with a coordinating Aladdin traymat for a patient tray presentation that is second to none!

Insulated domes, mugs, and bowls that combine style and functionality to elevate the patient meal experience!
