

Tray Assembly and Work Tables

Models: RST and WT

Aladdin's all-stainless-steel tables are the perfect workstations to round out your tray assembly area.

These versatile, multi-purpose work surfaces are available in 4-foot, 5-foot and 6-foot lengths to provide solutions for most tray assembly layouts.

Tables are perfect for pod or room service line tray assembly areas, along with other areas in the kitchen where work happens or storage is needed.

Durable, welded construction with reinforcement channels add strength and stability.

Our standard tables include a lower shelf to optimize storage space.

Models with both slanted and flat overshelves are available so you can completely customize your workspace to meet your specific patient tray assembly needs.

Model RST72241 shown; 72" table with flat overshelf
The versatile sizes and options of Aladdin's stainless steel work tables let you completely customize your tray assembly area. Flat and slanted overshelves are available.

Standard Features

Design/Construction

- **Models:** Available in 4' (1.2 m), 5' (1.5 m) and 6' (1.8 m) lengths.
- **Countertop:** Durable, 14-gauge stainless-steel countertop is reinforced with three 14-gauge stainless steel C-channels, one extending full table length for added strength and stability. Full-bead welded round corners provide a smooth surface; countertop height above the floor is 36" (91.4 cm).
- **Lower shelf:** Stainless-steel shelf for use in storing extra supplies is welded to table legs and reinforced with 14-gauge stainless-steel C-channel adding structure; full-bead welded round corners.
- **Table legs:** 1-5/8" (4.1 cm) O.D., 16-gauge stainless steel tube legs; stainless steel bullet-type adjustable feet enable table leveling.
- **Slanted Overshelf:** (WT models ending in "241"): Stainless steel slanted overshelf is reinforced with two 3" stainless steel C-channels for added strength. A three-sided, welded shelf retainer holds tray assembly containers and supplies in place.
- **Flat Overshelf:** (RST models only) Sturdy 14-gauge stainless steel flat overshelf with full-bead welded corners.

Ease of Use

- Lower shelf for extra storage space.
- Adjustable bullet-type feet for easy leveling.
- No assembly required.

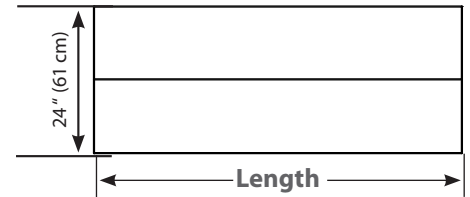

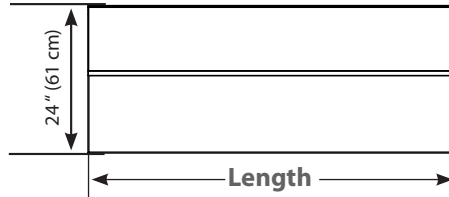

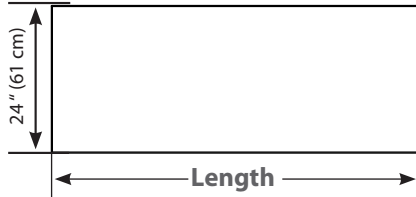

Tray Assembly and Work Tables

Models: RST and WT

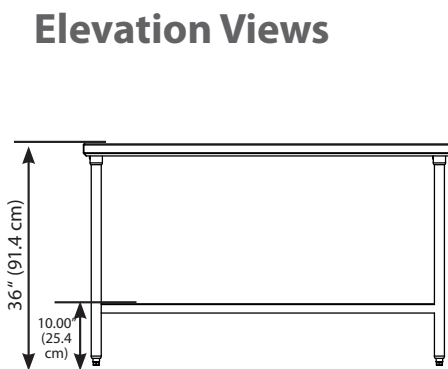

Model WT60241; 60" table with slanted overshelf
The optional overshelf makes it easy to stay organized so assembling trays is faster and easier.
