

Traditional Insulated Ware

Aladdin Temp-Rite® Traditional™ Insulated Ware features traditional styling and is fully foam insulated to keep foods hotter, or colder longer. Its styling, sleek lines, and designer colors have made this product a tradition in many healthcare settings. The mugs have a contoured lip design that is shaped to make drinking easy. The slotted base design on the bowls allows for faster drying and efficient stacking.

STANDARD FEATURES:

- Full foam insulation for increased food holding time
- Traditional styling
- Stackable — space saving

FEATURES — DOMES:

- High inside contours for better food clearance
- Recessed handle for easy use
- Compatible with all Aladdin pellet bases
- Textured surface helps reduce scuffing and watermarks

FEATURES — BASES:

- Smooth inside surface for easy cleaning
- Helps to maintain hot food temperatures and prevent heat migration to cold foods
- Compatible with all Aladdin pellet domes
- Textured surface helps reduce scuffing and watermarks

FEATURES — MUGS:

- Full three-finger grip for improved stability and comfort
- Lid is outer fitting (snap on type design) to keep lid out of the liquid inside the mug
- Contoured top design for easy sipping

FEATURES — BOWLS:

- 12 oz. bowl has wide opening for easy filling and eating
- 8 oz. bowl has wide opening for easy filling and eating
- 5 oz. bowl is perfectly sized for cold items (use same lid as mug)
- Lid is outer fitting (snap on type design) to keep lid out of the liquid inside the bowl
- Bottom designed to let water escape while drying
- 8 oz. and 12 oz. bowl use same lid
