Product Images

Description

Aladdin Temp-Rite's® meal delivery carts are designed to accommodate 2 trays per shelf, side loaded. Constructed of durable, sanitary stainless steel with plastic top and base to provide years of trouble free meal delivery service. These carts ensure efficient, whisper quiet transportation for your meal system trays.

STANDARD FEATURES:

- Field adjustable and removable tray slides to accommodate tray lengths from 16" - 20.25" long and up to 15" wide
- Floor drains and plugs to facilitate cleaning
- Louvered vents to assist heat dissipation
- 270° door swing with positive latching in open or closed positions
- Sound dampening material on tray slide ladders and inside doors to reduce noise and vibration
- Casters offset 1" for a "wheel ahead" configuration to permit easy elevator entry or exit
- Four 8" diameter balloon casters with grease fittings for towing, carpeted floors, and bumpy floor applications (2 swivel with brakes and 2 fixed)
