

Wash Rack Hold Down Grid - J04

Product Images

Description

Aladdin's sturdy and versatile wash racks are specifically designed to facilitate the warewashing of trays, bases, domes and related meal-delivery-system traytop items.

Available in a variety of configurations, they're built with materials that can stand up to the daily stresses of repeated wash cycles, with features that help provide optimum levels of sanitation as well as maximum warewashing efficiencies.

Standard Features:

- Bases are compatible with most standard commercial rack-style dish machines
- Injection-molded polypropylene plastic bases
