

Dimensions® High Heat Dome Storage Rack, Capacity 104 - CR3DR104

Product Images

Description

Aladdin Temp-Rite's dome storage/drying rack has a two-fold purpose. First is to facilitate proper drying of domes used with Convect-Rite systems. Second is to allow easy storage and transport of these components. The unit is constructed of stainless steel tubing with four chrome plated wire forms for dome support.

STANDARD FEATURES:

- Designed for easy, efficient removal of domes during tray assembly
- Accommodates 8" or 9" convection domes
- Accommodates 9" Dimensions clear (cold food) domes
- Welded frame construction for strength and durability
- Lightweight for ease of transportation
- Four 5" casters - 4 swivel & 2 with brakes
- Durable, easy to clean
- Extremely stable when transporting
