Model WT60241: 5-foot table with
slanted overshelf shown

Description

Aladdin's all-stainless-steel tables are the perfect workstations to round out your tray assembly area. These versatile, multi-purpose work surfaces are perfect for POD or room service line tray assembly areas, along with other areas in the kitchen where work happens or storage is needed.

STANDARD FEATURES:

- 48" length x 24" depth table with slanted overshelf.
- Stainless steel slanted overshelf easy access to tray assembly condiments and supplies.
- Durable, welded construction with reinforcement channels for added strength and stability.
- Stainless-steel lower shelf to optimize storage space.
- Adjustable bullet-type feet for easy leveling.
- No assembly required.
