Description

Aladdin's meal-delivery carts are designed to accommodate 2 trays per shelf, side-loaded. They're built from durable, sanitary stainless steel with an integrated polymer top and base, and will provide years of trouble-free meal-delivery service. These carts provide whisper-quiet delivery of your meal trays!

Standard Features:

- Field adjustable and removable tray slides accommodate tray lengths from 16" - 20.25" long and up to 15" wide.
- Floor drains and plugs make cleaning easy.
- 270° door swing with positive latching in open or closed positions.
- Sound-dampening material on tray slide ladders and inside doors reduces noise and vibration.
- Casters offset 1" to generate a "wheel ahead" configuration that makes elevator entry and exit easy.

- Available in single or single, pass thru door models.
- Available with four 6" or 8" diameter balloon casters with grease fittings, 2 swivel with brakes and 2 fixed.
