

J713 Series Slim Line Cold Food Counters, 2-3 Well

Product Images

Description

For special applications, particularly where space constraints apply, Aladdin Temp-Rite's® "Slim-Line" series cold food serving counters are an obvious choice. Designed specially for speed and efficiency, Aladdin's cold food counters feature heavy gauge all metal cabinet construction with reinforcement at all stress points.

STANDARD FEATURES:

- 9" deep stainless steel, fully insulated, pan with divider bars to hold standard 12"x 20" food pans. (6" maximum food pan depth recommended for best performance)
- Refrigeration coils on sides and bottom of pan
- 14 gauge stainless steel counter top
- 1" brass drain with valve for easy cleaning
- Maintains 40° F or less in an 85° F ambient environment
- Fully accessible switches and controls
- Refrigeration is thermostatically controlled
- 5" diameter swivel heavy-duty non-marking casters with brakes
- Ten-foot cord and plug
