Description

No More Cold Soup!

Stop cold soup now with the Allure® insulated soup dome from Aladdin! It's fully foam insulated to maintain hot food with a 180° input temperature at or above 140° for up to 80 minutes, so your soups, hot cereals, hot desserts and extra side items won't arrive cold at mealtime.

With a sleek, contoured style, it's designed for use with Aladdin's Allure® and Traditional 8-ounce soup bowls. Stackable to save space, its easy-to-grasp, recessed handle won't get damaged during washing or handling. Highly durable and dishwasher safe—our new soup dome has it all.

No other product offers an 80-minute holding time!

Our new insulated soup dome increases holding time up to 80 minutes vs. the typical 35-minute holding time for insulated bowls using a disposable lid.

Use it when serving:

- Soups, stews and broths
- Cereals served hot (oatmeal, Cream of Wheat®)
- Hot desserts such as cobblers
- Hot side dishes when extra room is needed

Note: Continued use of disposable soup bowl lid (B71) is recommended with soup dome to prevent content spillage.
