

## USED Hot Food Counter, 4 Well 60" Length - J712AUSED

### Product Images

### Description

Aladdin Temp Rite's 4-well hot food counters are designed and constructed to provide years of trouble-free service on tray assembly lines. The 1000 watt hot food wells assure maximum food temperatures during meal assembly. Accessible understorage ensures the most efficient utilization of labor from your hot food station.

#### STANDARD FEATURES:

- 14 Gauge stainless steel counter top with diestamped well openings
- Stainless steel front and end panels
- Individual, thermostatically controlled 1000 watt hot food wells (bottom mounted)
- All hot food wells supplied with drains plumbed to a common bottom valve for easy access and cleaning
- 5" swivel heavy-duty non-marking casters with brakes
- Ten foot cord and plug assembly for left or right hand access

See Detail Information for equipment condition and stock availability. Estimated lead-time to ship is 1 week.
