

Room Service Cart, 12 Tray Capacity, Low-Profile, 5.25" Tray Spacing with Upgrade Package - SC12S-525DPR

Product Images

Description

Aladdin's SC Series carts are the smart choice for patient meal delivery and tray retrieval. Their bold, contemporary look is as stylish as it is functional.

DPR Upgrade Package includes floor drain, top rail (in lieu of push handle) and two-door "pass-through" design.

STANDARD FEATURES:

- Shorter profile is easy to see over and flat top doubles as a work surface.
- Adjustable tray ladders that fit popular tray sizes: 14" x 18", 15" x 20", 15" x 21.5", 15.5" x 21.5"
- Interior stainless steel welded tube framing increases core strength and reduces cart noise.
- Contemporary door design with full-length door handle is great for any height employee.
- Non-marking corner bumpers protect walls and surfaces.
- 2" wide stainless steel tray slides provides secure tray transport (ladder-style ledge panels).
- Full 270° door swing gives unobstructed access during loading and unloading of trays.
- Transport and vibration tested to IEC 60068-2-64.
