### Description

Aladdin's SC Series carts are the smart choice for patient meal delivery and tray retrieval. Their bold, contemporary look is as stylish as it is functional.

**DPR Upgrade Package** includes floor drain, top rail (in lieu of push handle) and two-door "pass-through" design.

#### STANDARD FEATURES:

- Shorter profile is easy to see over and flat top doubles as a work surface.
- Adjustable tray ladders that fit popular tray sizes: 14" x 18", 15" x 20", 15" x 21.5", 15.5" x 21.5"
- Interior stainless steel welded tube framing increases core strength and reduces cart noise.
- Contemporary door design with full-length door handle is great for any height employee.
- Non-marking corner bumpers protect walls and surfaces.
- 2" wide stainless steel tray slides provides secure tray transport (ladder-style ledge panels).
- Full 270° door swing gives unobstructed access during loading and unloading of trays.
- Transport and vibration tested to IEC 60068-2-64.
