Description

The Radiance® high-performance entrée dome, only from Aladdin, helps keep patient meals at the ideal temperature. Its subtle, nuanced design with striking, modern styling coordinates perfectly with our Room Service tray, or any flat cafeteria tray system.

But it's not just a pretty face!

When combined with our Heat On Demand® products, **Radiance® provides the longest hot-food holding time in the industry.**

Its soft, satin finish with delicate, glossy etchings will enhance the beauty of any meal-delivery system. The styling coordinates perfectly with our insulated mugs and bowls, china and other traytop products. There's simply no other dome like it!
