

Heat On Demand Advantage® Plus Activator, 208-240 volt - ADV700

Product Images

Description

Aladdin Temp-Rite Heat on Demand Advantage Plus induction base activator is engineered with cutting-edge features to revolutionize your healthcare food service delivery.

- Superior Temperature Retention: **Keep food temperatures at or above 140°F for over 85 minutes** with a preheated plate and our [Radiance](#) high-performance insulated dome, ensuring your dishes stay hot and fresh.
- Lightning-Fast Activation: 12-second base activation cycle heats up to 5 bases per minute, enabling rapid food preparation and service.
- Versatile Compatibility: Utilizes cool-to-the-touch [Advantage bases](#) that fit most standard 9" plates, providing flexibility and convenience in your kitchen setup.
- Automatic Voltage Calibration: Automatically adjusts settings for 208 to 240-volt power, ensuring consistent performance even in the face of voltage fluctuations.
- Enhanced User Experience: 4-color LED status bar offers clear visual and audible alerts, increasing user efficiency and minimizing errors. No reading required!
- Error Prevention Logic: Say goodbye to guesswork with error prevention logic that simplifies operation for hassle-free usage.
- Technical Accessibility: QR code provides easy access to technical information, facilitating troubleshooting and maintenance.
- Energy-Efficient Design: Features energy-saving automatic shut-off for reduced power consumption and cost savings.
- Reliable Construction: Solid-state electronics and durable stainless-steel unit ensure enhanced reliability and longevity, built to withstand the demands of commercial kitchen use. Robust polymer centering guide facilitates easy base insertion and removal.

Refer to the product specification sheet for additional details, including hold time performance when using a

non-heated plate, ensuring full transparency and informed decision-making.

Additional Information

Model #	ADV700
Equipment Type	HOD Advantage
System	Heat On Demand Advantage® Systems
Cycle Time	12 seconds
System Hold Time	85+ min
Electrical	208V, 240V, 3 Phase, 30Amps, 60HZ
Plug	430P9W
Agency Listing	ETL, ETL Sanitation
Warranty	1-yr parts, 1-yr labor, 2-yrs centering guide (parts)
Technical Note	The addition of options may change the electrical requirements and/or equipment dimensions. Please refer to spec sheet for additional information.
Country of Manufacture	United States
Spec Sheet	View
Literature	Flyer / HOD Systems Brochure
GTIN	00849502015675
