Product Images

Description

Features

- **Built-in antibacterial protection inhibits the growth and reproduction of bacteria on the tray.**
- Silver-based antibacterial protection is food-safe.
- Antibacterial properties last the life of the tray and will never wash away, wear down, or scratch off.*
- Embedded silver-ion technology helps protect the tray from staining and odors caused by bacteria.**
- Exclusive design features integrated ergonomic grips that eliminate the need for bulky handles.
- Low-profile front lip allows for easy dining directly from the tray.
- Textured surface reduces the appearance of scratches.
- Trays stack with ease for effortless transport.
- 15" x 20" (38 cm x 51 cm) size easily accommodates a full meal.
- Made in the USA from high-grade ABS plastic for enhanced durability.
- Dishwasher safe
- 1-year limited warranty against material and manufacturing defects

**Antibacterial feature is not a substitute for standard routine tray cleaning procedures.*

***Antibacterial properties are limited to the product itself and do not protect users from disease-causing microorganisms or food-borne illnesses.*
